I. INTRODUCTION, METHODOLOGY & PRODUCT DEFINITIONS

Study Reliability And Reporting Limitations..... I-1
 Disclaimers I-2
 Data Interpretation & Reporting Level I-2
 Quantitative Techniques & Analytics I-3
 Product Definitions And Scope of Study I-3

II. EXECUTIVE SUMMARY

1. Industry Overview..... II-1

Introduction..... II-1
 Market Scenario and Outlook..... II-1

Table 1: Global Satellite Transponder Market (2006 & 2007): Percentage Breakup of Demand by Region – Asia-Pacific (incl. Japan), North America, Europe, Latin America, and Middle East and Africa (includes corresponding Graph/Chart)..... II-2

Table 2: Global Satellite Transponder Market (2006 & 2007): Percentage Breakup of Demand by Application – Broadcast, Trunking, Reserve, and Networking (includes corresponding Graph/Chart)..... II-3

Dominance of Video Applications..... II-3
 Voice Represents a Small Segment..... II-3
 Private Networks Lead Data Market..... II-3
 Plagued by Overcapacity II-4
 Market Analysis by Application Area..... II-4

Table 3: Global Satellite Transponder Demand for Broadcast Application (2006 & 2007): Percentage Breakdown by Geographic Region – North America, Europe, Asia-Pacific (including Japan), Latin America, and Middle East and Africa (includes corresponding Graph/Chart)..... II-4

Table 4: Global Satellite Transponder Demand for Trunking Applications (2006 & 2007): Percentage Breakdown by Geographic Region - North America, Europe, Asia-Pacific (including Japan), Latin America, and Middle East and Africa (includes corresponding Graph/Chart)..... II-5

Table 5: Global Satellite Transponder Demand for Networking Applications (2006 & 2007): Percentage Breakdown by Geographic Region - North America, Europe, Asia-Pacific (including Japan), Latin America, and Middle East and Africa (includes corresponding Graph/Chart)..... II-5

Table 6: Global Satellite Transponder Demand for Reserve Purposes (2006 & 2007): Percentage Breakdown by Geographic Region - North America, Europe, Asia-Pacific (including Japan), Latin America, and Middle East and Africa (includes corresponding Graph/Chart)..... II-6

Major Trends..... II-6
 Ku-band Capacity Transponders Driving the Growth..... II-6
 Commercial Services Boost Satellites Sector..... II-7

Growing Demand for Bigger Satellites to Push Transponders Market..... II-7
 Satellite Cellular Backhaul Propels Market..... II-7
 Last Mile Data Sector to Even Out II-8

Table 7: Global Last-Mile Data Satellite Demand by Sub-Segments: Residential, SOHO, SME, and Large Business (In 36 MHz Transponder Equivalents) (includes corresponding Graph/Chart)..... II-8

Backup Satellites and Transponders Show a Viable Alternate Over Standard Insurance..... II-8
 ISP-to-Backbone Peaks in Several Regions II-9
 Bigger GEO Satellites Continue to Show an Upward Trend II-9

A Flashback on Satellite Industry Revenues..... II-10

Table 8: Global Market for Video Services by Leading Operators (2004 & 2005): Percentage Breakdown of Revenues for SES Global, PanAmSat, Eutelsat, Intelsat, New Skies, and Others (includes corresponding Graph/Chart)..... II-10

Table 9: Global Market for Fixed Satellite Services by Leading Operators (2004): Percentage Breakdown of Revenues for Intelsat/PanAmSat, SES Global, Eutelsat, New Skies, and Others (includes corresponding Graph/Chart)..... II-11

Table 10: Market Penetration of DTH Satellite Sector within the Overall Pay TV Market Across Major Geographic Regions - Middle East/Africa, Western Europe, North America/Latin America, East/Central Europe, and Asia-Pacific(2004) (includes corresponding Graph/Chart)..... II-11

Table 11: Global Satellite Industry Revenues by Segment in US\$ Billion - Satellite Services, Ground Equipment Manufacturing, Satellite Manufacturing, and Launch Industry: 1996-2002(includes corresponding Graph/Chart)..... II-11

Table 12: Global Satellite Industry by Segment (1996 & 2002) – Percentage Breakdown of Revenues for Satellite Services, Ground Equipment Manufacturing, Satellite Manufacturing, and Launch Industry(includes corresponding Graph/Chart)..... II-12

Table 13: Global Satellite Service Revenues by Segment in US\$ Billion (2000 & 2002) - Subscription/Retail Services and Transponder Leasing..... II-12

Table 14: Percentage Breakup of Global Satellite Services Revenues by Segment (2000 & 2002) - Subscription/Retail Services and Transponder Leasing..... II-12

Table 15: Global Satellite Transponder Supply by Frequency Band (2001 & 2002) – Percentage Breakdown for Ku-band, C-band, and Ka-band (includes corresponding Graph/Chart)..... II-13

Table 16: Global Satellite Transponder Supply by Region (2002) – Percentage Breakdown for Asia-Pacific, Europe, North America, Latin America, and Rest of World (includes corresponding Graph/Chart)..... II-13

CONTENTS

2. An Overview of Satellite Communications -	II-14	Intelsat Launches Galaxy 17 satellite	II-29
Factors Affecting the Satellite Sector	II-14	SES Inks Launch Agreements	II-29
Short-Term Market Opportunities	II-15	Kazakhstan to Launch KazSat-2 Satellite	II-29
Opportunities in Ka-Band Services	II-15	Artemis Bags Two Contracts From DoD	II-29
Role of ITU in the Satellite Industry	II-16	SES's AMC-18 Spacecraft Set for Commercial Services	II-29
3. Satellite Industry Dynamics	II-17	MEASAT Satellite Systems Launches MEASAT-3 Satellite	II-29
Satellites	II-17	WildBlue Announces Successful Launch of	
Payload	II-17	WildBlue-1 Satellite	II-30
Transponders	II-17	Sea Launch Successfully Delivers Koreasat 5 Satellite	
Orbits and Satellites	II-17	into GTO	II-30
Common Types of Orbits	II-17	BSSI Inks Contract with Sea Launch	II-30
Geostationary Orbit (GEO)	II-17	Arianespace Launches JCSAT-10 Satellite	II-30
Low Earth Orbit (LEO)	II-18	Arianespace to Launch VINASAT-1 Satellite	II-30
Medium Earth Orbit (MEO)	II-19	Arianespace Successfully Launches Satmex-6 Satellite	II-30
Satellite's Footprint	II-19	Arianespace and Eutelsat Signs Launch Contract	II-31
Burn	II-19	Sea Launch to Launch Intelsat's IA-9 Satellite	II-31
Interior of a Satellite	II-19	Space Communications to Launch AMOS-3 satellite	II-31
Propulsion Subsystem	II-19	Integral Systems Bags Contract from LMCSS	II-31
Power Subsystem	II-20	Hot Bird 8 Satellite Launched into Orbit	II-31
Communications Subsystem	II-20	Alcatel Awards Contract to Boeing	II-31
Structures Subsystem	II-20	Loral Launches XTAR-LANT	II-31
Thermal Control Subsystem	II-20	Arianespace Launches Shin Satellite's Thaicom 5	II-32
Attitude Control Subsystem	II-20	Alcatel Alenia Space Launches New Satellite	II-32
Telemetry and Command Subsystem	II-20	PanAmSat Launches Galaxy 16	II-32
Launch of a Satellite	II-20	ISRO Launches INSAT-4A	II-32
Importance of EMS for Satellite Transmissions	II-21	PanAmSat Launches Galaxy 15	II-32
Frequency Range and Suitable Application Areas		Thaicom 4 Launched into Orbit	II-32
of Different Bands	II-21	SS/L's Satellite Launched Successfully	II-33
Satellite Applications	II-22	Orbital's GEO Satellite Launched Successfully	II-33
Satellite Sector: An Overview of Applications/Services	II-22	Orbital to Launch Telkom 2 Satellite	II-33
Global Positioning Systems	II-22	Alcatel Launches AMC-12 Communication Satellite	II-33
Application Areas	II-23	Russian Communication Satellite Launched Successfully	II-33
Space-Based Earth Observation Systems	II-23	APT's APSTAR VI Satellite Launched	II-33
Major Remote Sensing Instruments and Satellites	II-24	ISRO Launches HAMSAT and CARTOSAT	II-33
Satellite Navigation System	II-25	Boeing's Communication Satellite Delivered into Orbit	II-33
The Galileo System	II-25	Lockheed Martin's Telecommunication Satellite Takes	
EGNOS - The Precursor for Galileo	II-25	Off Successfully	II-33
New Transponder Accessing Method	II-25	Loral Space Launches Telstar Communications Satellite	II-33
4. Satellite Launches	II-26	SS/L's Broadcast Satellite Takes Off Safely	II-33
India Announces Successful Launch of INSAT-4B	II-26	GSLV Delivers EDUSAT into Orbit	II-33
Chinasat 6b Satellite Launch From The Xichang		Eutelsat Launches W3A	II-35
Satellite Launch Center	II-26	Helios IIA Takes Off Safely into Orbit	II-35
Italy Launches COSMO-SkyMed Scientific Satellites	II-26	Russia's Communication Satellite Delivered into Orbit	II-35
EchoStar Orders Proton Vehicle Launch from ILS	II-27	Orbital Delivers China's Remote Sensing Satellite into Orbit	II-35
Intelsat to Manufacture and Launch 24-transponder Satellite	II-27	SES AMERICOM's Satellite Launched Successfully	II-35
ISRO to Launch INSAT- 4CR	II-27	Telesat's Anik F2 Lifts Off Successfully	II-35
TerreStar to Launch TerreStar-1	II-27	Hispanar Launches Satellite	II-35
Globalstar to Launch Four SS/L Designed Satellites	II-27	ILS Launches Intelsat 10-02 Satellite	II-36
Optus Selects Arianespace to Launch Optus D3	II-27	5. Satellite Launches in the Recent Past	II-37
Arianespace to Launch Badr-6 Satellite	II-28	EchoStar and Loral Launch EchoStar IX/Telstar 13	II-37
India to Launch TecSAR	II-28	ISRO, Eutelsat and ESA Launch Satellites	II-37
Arianespace to Launch Insat 4G	II-28	SES AMERICOM Launches AMC-9	II-37
Arianespace to Launch AMC-21 Satellite	II-28	ISRO Launches GSAT-2	II-37
ILS to Launch Ciel-2 Satellite	II-28	Intelsat Launches Intelsat 904	II-38
ProtoStar Selects Arianespace to Launch DTH satellite	II-28	DIRECTV Launches DIRECTV 5	II-38
		XM Launches Satellites	II-38
		B-SAT Launches BSAT-2a	II-38

CONTENTS

6. Recent Industry Activity	II-39	New Skies Pacts with the Netherlands Ministry of Defence	II-49
Radyne Merges with AeroAstro	II-39	Loral Bags Contract from AsiaSat.....	II-49
Alliant Announces Acquisition of Swales	II-39	PanAmSat Holding Corp. Enhances Services to New Zealand.....	II-49
DataPath Announces Acquisition of SWE-DISH	II-39	SES ASTRA Pens Contract with CANAL+	II-49
EMS Acquires DSpace	II-40	Eutelsat Signs Contract with SRG SSR.....	II-50
Viasat Announces Acquisition of Jast	II-40	ASTRA Signs a Long-Term Agreement with Channel 4.....	II-50
BC Announces Acquisition of Majority Stake in Intelsat	II-40	NTV-Plus in an Agreement with RSCC.....	II-50
Loral Acquires Telesat Canada	II-41	ASTRA Bags Contract from Arqiva.....	II-50
Videocon Inks Contract with ISRO for Six Ku-band Transponders.....	II-41	DCS Pacts with Eutelsat.....	II-50
Lockheed to Deliver BSAT-3a and JCSAT-11 Spacecraft.....	II-41	ASTRA Signs a Capacity Agreement with UPC Direct	II-50
General Electric Acquires SIH; Splits with SES	II-41	SSM Bags Contract from Comsat México.....	II-51
General Electric Acquires AsiaSat	II-41	ASTRA Bags Contract from GlobeCast.....	II-51
Thales to Build Communications and Observation Satellites	II-41	Eutelsat Leases Transponder Capacity to TVN	II-51
SS/L Bags Contract to Manufacture Broadcast Satellite	II-42	ASTRA Bags Contract from BBC.....	II-51
Orbital Bags Major Commercial Satellite Contract from SES	II-42	Arabsat in an Agreement with JMC	II-51
Thales Alenia Bags Contract from PT Indosat	II-42	BCL, TVNZ and TVWorks Enters into an Agreement.....	II-51
Telkom Bags Contract of Satellite Transponder Procurement	II-42	Eutelsat Leases Transponder Capacity to Telekom Srbija.....	II-51
SSTL Receives Contract from ESA	II-42	PanAmSat Acquires Europe*Star.....	II-52
Astrium Bags Contract from Hispasat.....	II-43	Multimedia Pockets New Skies Networks.....	II-52
SS/L to Construct Satellites for Echostar and Intelsat	II-43	Telesat Acquires SPACECONNECTION, Inc	II-52
Ball Aerospace Receives WorldView 2 Satellite Contract	II-43	SES Astra Acquires DPC Digital Playout Center GmbH	II-52
SES NEW SKIES Awards Contract to SS/L	II-43	SES Americom Unites with Comcast Media.....	II-52
Thales Inks €103 Million Contract	II-43	Telesat Joins Forces with Barrett Xplore.....	II-53
Bluemagic to Launch DTH Service.....	II-43	Eutelsat Signs Contract with Algérie Télécom	II-53
Talai Offers New Services on Arabsat BADR-4	II-44	Eutelsat Signs Multi-Transponder Agreement with SKY Italia.....	II-53
Artel Bags Two Contracts From DoD	II-44	Intelsat Pacts with APT Satellite	II-53
SES's AMC-18 Spacecraft Set for Commercial Services.....	II-44	Lockheed Martin Enters into Contract with B-Sat.....	II-53
Finisar to Acquire Kodeos.....	II-44	Eutelsat Leases Transponders Capacity to SNRT.....	II-53
Shamshad TV Enters into Lease Agreement with AsiaSat	II-44	Eutelsat and NHK Enter into Contract.....	II-54
Eutelsat Signs Contract with Alcatel Alenia Space	II-45	Space Systems/Loral Signs Contract with ICO Satellite.....	II-54
ABS Acquires LMSCV	II-45	Nordic Satellite Awards Contract to Lockheed Martin.....	II-54
SES Astra Raises Shareholding in ND SATCOM.....	II-45	Alcatel Signs Contract with Embratel	II-54
SES Astra Inks Transponder Contract with Five	II-45	SES Astra and GlobeCast Enter into Transponder Agreement.....	II-54
SES Astra Inks Second Transponder Contract with TVP.....	II-45	Eutelsat Enters into Agreement with Horizon	II-54
Alcatel Bags Contract to Build Satcom BW Satellites	II-46	SES Astra Enters into a Transponder Agreement with UPC.....	II-55
Measat and Telkom Inks MoU.....	II-46	Alcatel Enters into Agreement with Shin Satellite.....	II-55
SS/L to Build Terrestar-2 Satellite	II-46	ASTRA Inks Renewal Transponder Agreement with BskyB.....	II-55
SES Astra Inks Transponder Contract with Arqiva	II-46	ASTRA & ITV Signs Yet Another Transponder Capacity Agreement	II-55
EADS Astrium to Build Hot Bird 9 Broadcast Satellite	II-46	SES Astra Enters into Agreement with Hellas SAT	II-55
AsiaSat Selects SS/L to Build AsiaSat 5 Satellite	II-47	ISRO Signs Agreement with European Space Agency.....	II-56
NeoPhotonics Acquires BeamExpress	II-47	Eutelsat Enters into Agreement with IABG.....	II-56
Kodeos Acquires Intersymbol.....	II-47	CNBC Pakistan Inks Long-term Agreement with PanAmSat.....	II-56
Boeing Delivers XM-4 Satellite	II-47	PanAmSat Join Hands with Direct-on-PC.....	II-56
SES Astra Inks New Capacity Contracts for Africa	II-47	Tata-Star Group to Foray into Direct-To-Home Segment	II-56
Orbital Bags Contract to Build NSS-9 satellite	II-47	SES Astra Establishes New Subsidiary	II-57
Astrium to Build ASTRA 3B Satellite	II-47	Nordic Satellite AB Renamed as SES SIRIUS AB.....	II-57
Boeing Wins Contract to Construct Wideband Gapfiller Satellite.....	II-48	SES Americom Purchases Verestar.....	II-57
Alcatel to Deliver W2A Satellite.....	II-48	Telesat Acquires Direcway Hub.....	II-57
Eutelsat Awards Contract to Astrium.....	II-48	SES Astra, Integral Systems and Entertec together Sign Joint Partnership Contract.....	II-57
Intelsat Acquires PanAmSat.....	II-48	Boeing Enters into Joint Venture with Alcatel	II-58
Telenor Satellite Services Purchases Norse's Satellite Communications Business	II-48	Boeing Bags \$472 Million Contract.....	II-58
Intelsat Pockets PanAmSat.....	II-49	Telesat Awards Contract to EADS	II-58
SES GLOBAL Acquires New Skies	II-49	Loral Skynet Signs Agreement with Microm De Colombia.....	II-58

CONTENTS

ILS Enters into Contract with SES GLOBAL	II-58		
Skylogic and ChinaSatcom Enter into a Partnership Agreement	II-58		
ISRO Signs Agreement with New Skies	II-59		
SES Astra Enters into Agreement with WORLDSAT	II-59		
PanAmSat Awards Contract to Alcatel	II-59		
RSCC Signs Transponder Leasing Contract with Eutelsat	II-59		
Alcatel Space to Build Satellite for SES Global	II-60		
ARABSAT Awards Contract to EADS	II-60		
ARABSAT Signs Agreement with SamaCom	II-60		
7. Strategic Corporate Developments in the Past	II-61

Review of Key Players.....	III-42		
B. Market Analytics	III-45		
<i>Table 51: European Recent Past, Current & Future Analysis for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2000 through 2010 (includes corresponding Graph/Chart)</i>	III-45		
<i>Table 52: European Long-Term Projections for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2011 through 2015 (includes corresponding Graph/Chart)</i>	III-46		
<i>Table 53: European 15-Year Perspective for Satellite Transponders by Application Areas –Percentage Breakdown of Demand for Broadcast, Trunking, Networking and Reserve Markets for 2003, 2008 & 2012 (includes corresponding Graph/Chart)</i>	III-46		
3. Asia-Pacific	III-47		
A. Market Overview	III-47		
Market Scenario and Outlook.....	III-47		
<i>Table 54: Satellite Transponder Demand in Asia-Pacific (2006 & 2007): Percentage Breakdown by Application – Broadcast, Trunking, Networking, and Reserve (In Number of 36 MHz Transponder Equivalents) (includes corresponding Graph/Chart)</i>	III-47		
Digital Divide Mars Asia-Pacific Market.....	III-48		
An Overview of Satellite Market.....	III-48		
Transponders: Demand and Supply.....	III-48		
Government: A Major Player.....	III-48		
Satellite Broadband Market Facing Hurdles in Japan and South Korea.....	III-49		
Plagued by Restricted Demand for Satellite Services.....	III-49		
Asian Satellite Transponder Capacity.....	III-50		
Overcapacity: A Major Issue.....	III-50		
Market Characteristics by Sector.....	III-50		
Slowdown in the Late 1990s.....	III-50		

CONTENTS

Major Markets.....	III-51	B. Market Analytics	III-69
China	III-51	Table 59: Latin American Recent Past, Current & Future Analysis for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2000 through 2010 (includes corresponding Graph/Chart).....	III-69
India.....	III-51	Table 60: Latin American Long-Term Projections for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2011 through 2015) (includes corresponding Graph/Chart)	III-69
Transponder Capacity Shortage Affects		Table 61: Latin American 15-Year Perspective for Satellite Transponders by Application Areas – Percentage Breakdown of Demand for Broadcast, Trunking, Networking and Reserve Markets for 2003, 2008 & 2012 (includes corresponding Graph/Chart).....	III-70
DTH Market	III-52	5. The Middle East/Africa	III-71
India to Install Additional Transponder Capacity.....	III-52	A. Market Overview	III-71
Japan.....	III-52	Commercial Satellite Transponder Market	III-71
Satellite Broadband Services Remain Weak.....	III-52	Market Scenario and Outlook.....	III-71
Scientific & Engineering Test Satellite		Table 62: Middle East/Africa Satellite Transponder Demand (2006 & 2007): Percentage Breakdown by Application – Broadcast, Trunking, Networking, and Reserve (In Number of 36 MHz Transponder Equivalents) (includes corresponding Graph/Chart)	III-71
Launches in Japan.....	III-53	Competitive Scenario	III-72
Strategic Corporate Developments.....	III-53	Table 63: Middle East and Africa Satellite Transponder Market by Operator Capacity (2004) – Percentage Breakdown for ArabSat, Eutelsat, Intelsat, New Skies, PanAmSat and Others (includes corresponding Graph/Chart)....	III-72
Satellite Launches	III-57	Strategic Corporate Developments	III-72
Review of Key Players	III-61	Satellite Launches	III-74
B. Market Analytics	III-63	Review of Key Players	III-74
Table 55: Asia-Pacific Recent Past, Current & Future Analysis for Satellite Transponders by Application . Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand .in Number of 36 MHz Transponder Equivalents for .Years 2000 through 2010 (includes corresponding Graph/Chart)	III-63	B. Market Analytics	III-75
Table 56: Asia-Pacific Long-Term Projections for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2011 through 2015 (includes corresponding Graph/Chart).....	III-64	Table 64: Middle East/African Recent Past, Current & Future Analysis for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2000 through 2010 (includes corresponding Graph/Chart)	III-75
Table 57: Asia-Pacific 15-Year Perspective for Satellite Transponders by Application Areas – Percentage Breakdown of Demand for Broadcast, Trunking, Networking and Reserve Markets for 2003, 2008 & 2012 (includes corresponding Graph/Chart)	III-64	Table 65: Middle East/African Long-Term Projections for Satellite Transponders by Application Areas – Broadcast, Trunking, Networking, and Reserve Markets Independently Analyzed with Annual Demand in Number of 36 MHz Transponder Equivalents for Years 2011 through 2015 (includes corresponding Graph/Chart).....	III-75
4. Latin America.....	III-65	Table 66: Middle East/African 15-Year Perspective for Satellite Transponders by Application Areas – Percentage Breakdown of Demand for Broadcast, Trunking, Networking and Reserve Markets for 2003, 2008 & 2012 (includes corresponding Graph/Chart).....	III-76
A. Market Overview.....	III-65		
Transponder Market in Latin America Set for Recovery	III-65		
Strong Demand for Satellite Services.....	III-65		
Market Scenario and Outlook.....	III-65		
Broadcast Represents The Leading End-Use	III-66		
Leasing Revenues Decline.....	III-66		
Market Trends by Sector.....	III-66		
Broadcast Overcasts Other Applications	III-66		
Table 58: Latin American Satellite Transponder Demand (2006 & 2007) – Percentage Breakdown by Application –Broadcast, Trunking, Networking, and Reserve (In Number of 36 MHz Transponder Equivalents) (includes corresponding Graph/Chart)	III-66		
Competitive Overview	III-67		
Strategic Corporate Development	III-67		
Satellite Launches	III-67		
Satelites Mexicanos S.A. de C.V. (Satmex) –			
A Mexican Key Player.....	III-68		

IV. COMPETITIVE LANDSCAPE
